I loved the book, and I believe I relate to Nick a lot. At the heart of it is the legacy of those who died in the conflict, and especially the scale of the impact that that would have had on their local communities, it would also never have been possible without the significant legacy created by those who remained, from the families who sent in photographs of their loved ones and which formed the Imperial War Museum's founding Bond of Sacrifice Collection, through the people who diligently compiled official records in the early s and which formed the Commonwealth War Graves Commission's records, right up to the modern-day professionals, volunteers and individuals who have shaped these records, shared them, and also significantly increased and enriched them, especially under the guise of First World War Centenary projects like Lives of the First World War Data Pharrell Williams Unauthorized & Uncensored (All Ages Deluxe Edition with Videos) Sources This project simply wouldn't exist without the core assets that it draws on.
